The Jack Rua Invitational is in honor of Jack Rua, one of the founding partners of the Rua-Dumont-Audet Insurance Agencies. Jack was devoted to the development of the Diabetes Association, Inc. (DAI) and served as its president. It is with great pleasure that we are able to host the Jack Rua Invitational each year to raise funds to support the Jack Rua Camp for Children with Diabetes and the Diabetes Association, Inc., a program of People Incorporated.

Thanks to owners Joe and Suzette Moniz, **Crestwood Country Club** is once again opening its pool, preparing a special cookout and planning fun activities for Camp Jack. The campers are so excited to share this day with all of you! Having the campers and staff team from the Diabetes Association program at the Invitational will give you a first-hand look at how your generous support is changing lives and creating lifetime memories for these wonderful kids.
