

People Incorporated – Alternative Accessible Formats of Information

People Incorporated connects diversity, equity, and inclusion to our mission and believes it is critical to ensure the wellbeing of our staff and the individuals we serve. We are committed to making our services more accessible for everyone.

In following our mission, should you need access to any of our policies, procedures, program handbooks, information on our website, or other written materials provided in an alternative accessible format, we will make our best effort to accommodate your request. Examples of alternative accessible formats include the following:

- Large print
- Braille
- Text to be displayed in a colored background or converted to speech
- An electronic copy of a hard copy resource or vice-versa
- Audio-visual formats: CD, video that includes subtitles, sign content, etc.
- Easy Read
- Translations

If you need alternative accessible formats of People Incorporated's policies, please contact our Main Office at
